San Ramon Valley Village

Welcome to the SRVV!

On November 10, 2024, Kathryn Ishizu, Executive Director of Lamorinda Village asked members of the Danville San Ramon Rotary Club if anyone or group wanted to start a village in the San Ramon Valley. Some of us said yes and we have grown into a totally separate non-profit organization providing services to seniors. Over the last 25 years over 400 villages have formed across the country and over

50 are in California. We are proud to be affiliated with the Lamorinda Village, who is creating a hub called the Diablo Valley Villages to support spokes or villages: Clayton Valley Village, Mt. Diablo Village, San Ramon Valley Village and Lamorinda Village. In August we signed an agreement to become affiliated with Lamorinda Village and have been working hard to bring our village to provide services to seniors in our area ever since.

Let's Get Started

In January we started providing some of our services by conducting a faux flower arranging opportunity in partnership with the Discovery Commons San Ramon Assisted Living.

On February 25th at 10:00 a.m. we will have a **Soft Launch Celebration** at the San Ramon Regional Medical Center. All seniors are welcome to attend. Belmont Village is providing coffee and pastries.

On February 26th at 10:00 the San Ramon Regional Medical Center will provide a **Heart Healthy Seminar** for our prospective members and community.

We hope you will join us at our upcoming events!
