

Volunteers Needed to Help Seniors

The San Ramon Valley Village, an affiliate of Diablo Valley Villages, composed of Lamorinda Village, Clayton Valley Village and Mt. Diablo Village is a nonprofit organization forming in our community to help seniors. Over 400 villages have formed across the country during the last 25 years. Villages provide a vital safety net of compassionate care and connection to seniors enabling them to live in their homes and communities for as long as possible. Valuable services provided by background checked volunteers include: social activities / events, driving, grocery shopping, prescription pick-up, home repairs and gardening help, tech support, check-in calls / visits, and professional referrals, etc.

The San Ramon Valley Village needs volunteers to perform a few hours of work a week on our steering committee to help make the San Ramon Valley Village a reality and start providing services to our members as soon as possible, hopefully January 1st. We need help with planning our programs and activities, community outreach, fundraising and event planning. You do not need to be an expert at these things with vast experience. Anyone willing to help do things is welcome. Please contact us at 925 283 3500 or complete a volunteer application on our website: sanramonvalleyvillage.org.

When we help ourselves, we find moments of happiness. When we help others, we find lasting fulfillment.

Here we are at a recent Senior Resources Fair recruiting members and volunteers.
